Pure **ME**
DESIGN

Who is PureME Design?

SELF EXPRESSION! We understand that every woman wants to be unique in their own way. Fashion is a fast moving art form, which is usually acknowledged by women from all kinds of backgrounds.

However a women 's phone is by far the most important accessory she requires in life. This is why PureME Design offers an unique range of iPhone cases to match the current fashion trends. Most important of all, our cases are not only stylish but also offer protection.

Bubble range

Designed with vivacious women in mind bubbly, fun and fantastic to be with. These women bring colour to our lives and they deserve colours in theirs. This range brings the bold, beautiful and bubbly together in three bouncy designs. **Popular Purple**, **playful pink** and **Glamorous green**.

Shoe Range

Shoe Range

This particular range is very much like “sex in the city” style. Most of you will know it usually involves hard working, fashion craving and not to forget the non-stop busy life style. Keeping up appearances is not always easy;; however these ladies somehow pull it off flawlessly.

This particular range has a specific colour scheme which includes: **Purposeful Pink**, **Passionate Purple** and **Tasteful Turquoise**.

Polka Dot Range

This timeless design seems to never leave the catwalk. They are fashion must-have and this classic style keeps on evolving in such a way that women find them irresistible. This sexy but innocent range is available in three gorgeous colours **Beaming Beige**, **Pleasant Pink** and **Bragging Blue**.
